

Welcome to the Royal Oak Hotel Penola!

We are lucky to live in a region of fabulous produce, so like our menu, our drinks list has a local focus wherever possible.

In these pages you will find wine, gin, beers, and ciders which have been created by our friends and in our region.

Most of these wines are sourced within 150km of this hotel, however every now and then we have dropped in something smashing from afar.

These are wines we love, or wines made by friends, and sometimes both. They are identified with an asterisk.

If you are after a wine which isn't listed here, the Royal Oak Cellars stocks a greater range of wines from around the region and country.

You are welcome to wander out to the cellars, purchase a bottle and enjoy it in the pub for \$10 corkage.
